A degree in civil & environmental engineering prepares you for careers in the fields of construction management, environmental conservation, transportation design and planning, and monitoring quality of air, water, and land.

University of Utah
Salt Lake City, Utah, USA

The University of Utah is the flagship institution of higher learning in Utah and has been providing world-class education for more than 140 years, making it one of the oldest institutions in the western United States.

University of Utah Asia Campus
Songo, Incheon, S. Korea

The University of Utah Asia Campus provides students with the same world-class, U.S. academic experience offered at the University of Utah campus in Salt Lake City. By studying on both the Asia Campus and the Salt Lake City Campus, students gain a truly international experience that prepares them for success in a globalized society. The campus is conveniently located in Songo, Incheon, International Business District, Korea, as a new smart city. It is home to a number of international companies and the students have the potential for global interactions and opportunities that cannot be found anywhere else in the world.

Undergraduate Degrees
Bachelor of Arts (B.A.) Bachelor of Science (B.S.)

Our academic programs are designed to be hands-on, engaging, and collaborative while focusing on critical thinking, group projects, peer feedback, and faculty mentoring.

CIVIL AND ENVIRONMENTAL ENGINEERING, B.S.
A degree in civil & environmental engineering prepares you for careers in the fields of construction management, environmental conservation, transportation design and planning, and monitoring quality of air, water, and land.

FILM AND MEDIA ARTS, B.A.
A degree in film and media arts offers students not only in-depth understanding of film, but also animation, game design, and social media.

PSYCHOLOGY, B.S.
A degree in psychology provides excellent preparation for careers in education, human resources, law enforcement, or advanced degrees such as social work, medicine, law, or education.

URBAN ECOCYLOGY, B.S.
A degree in urban ecology prepares you to understand the complexity of life in cities for careers in government agencies, conservation organizations, or real estate developments.

COMMUNICATION, B.A./B.S.
A degree in communication prepares you for careers in the areas of public relations, advertising, marketing, journalism, and more.

Two Campuses, One Great U Experience

Salt Lake City, UT
Songo, Incheon

Students will get the chance to study at both the Asia and Salt Lake City campuses. Regardless of where you are studying, you will get the same quality of education from our renowned faculty and earn the University of Utah degree.

SCHOLARSHIP FOR NEW INCOMING STUDENTS
At the University of Utah Asia Campus, we reward outstanding applicants for their academic excellence, leadership capacity, extracurricular activities, and commitment to community as well as other non-academic factors.
