The University of Utah (USA) at a Glance

Established in 1850, the University of Utah is one of the oldest universities in the Western United States. More than 90 graduate degrees are offered, including some of the top programs in the country, according to the most recent U.S. News & World Report. The University’s more than 165-year legacy makes it one of the oldest universities in the Western United States.

OVER 90 GRADUATE DEGREES

Among the more than 90 graduate degree programs in the country, according to the most recent U.S. News & World Report, the University of Utah is located in Salt Lake City, a diverse and exciting city in the heart of the Intermountain West region of the United States. The campus is just minutes away from Salt Lake City International Airport, with short flights to major West Coast cities like Los Angeles and San Francisco. With easy access to the Wasatch Mountain Range near the Grand Canyon, the University of Utah offers endless opportunities for hikers, bikers, and skiers seeking the best outdoor recreation available in the world.

University of Utah Campus, USA

FRESHMEN ADMISSION EVALUATION PROCESS

Each application is reviewed individually and consideration is given based on, but not limited to, the following factors, with greater emphasis given to primary factors:

**PRIMARY FACTORS**
- Quality of courses and rigor
- Grade trends
- Cumulative unweighted GPA
- Quality of high school

**SECONDARY FACTORS**
- Academic honors
- Extracurricular activities
- Commitment to community engagement, citizenship, and leadership
- Application questions (extraordinary family obligation, military service, extenuating circumstances)

**CREDENTIAL EVALUATION**
- The University of Utah Office of Admissions does all credential evaluation and does not require students to use a credential evaluation service.
- Official transcripts, test scores, and school records (for the last four years of secondary school) should be submitted, including all external examinations. If proof of graduation is not listed on the transcript, a copy of the diploma or certificate of completion will be required.
- All school records should be sent directly from the school attended or from the Ministry of Education (where applicable) to the Office of Admissions.
- All school records not issued in English must be in the original language with an official English translation completed by a certified translator.

**SCHOLARSHIPS**
- UAC Scholarships are offered to students at the Asia Campus who have demonstrated academic excellence during their high school career. Undergraduate scholarship awards are made through the University’s Financial Aid and Scholarships office and will be released at time of an admission offer. Your on-time admissions application will also serve as your application for all available campus scholarships. For more information visit us at: asiacampus.utah.edu/scholarship

**ANNUAL ESTIMATED TUITION FOR ASIA CAMPUS UNDERGRADUATES 2017-2018**

- Undergraduate Tuition: $2,000

**DEGREE OFFERINGS**

The University of Utah Asia Campus offers several degree options for you to choose from. As an undergraduate student admitted to the Asia Campus you will spend three years studying at the Asia Campus and one year studying at the U.S. Campus.

**UNDERGRADUATE COMMUNICATION, B.A./B.S.**
- The Communication Bachelor of Arts (BA) or Bachelor of Science (BS) degree emphasizes academic, learning, and technical knowledge and training to prepare you for careers in the areas of media relations, advertising, marketing, journalism, and more.

**PSYCHOLOGY, B.S.**
- The Psychology Bachelor of Science (BS) degree provides excellent preparation for work in educators, advertising, marketing, human resources, usability testing, survey/polling firms, or as psychiatric technicians, case workers, and research assistants in social science labs and firms, or for advanced degrees such as social work, medicine, law, or business.

**FILM & MEDIA ARTS, B.A.**
- The Bachelor of Arts (BA) in Film & Media Arts degree offers students the opportunity to examine closely the art form that defines our time through a series of courses covering the history, aesthetics, and criticism of the motion picture.

**URBAN ECOLOGY, B.S.**
- The Bachelor of Science (BS) in Urban Ecology confronts the challenges of urbanization to understand the complexity of life in cities. In this highly interdisciplinary major, environmental science, city planning, public policy, community development, and sustainability come together to challenge students to think critically.
